2010 NFIP Claims Adjuster Workshop Schedule

To maintain active status for NFIP Adjuster Certification or to become certified, adjusters must attend a 2010 Claims Workshop.

Workshop pre-registration will be available soon. To be notified when registration opens, please write to us at adjireginfo@h2opartnersusa.com.

For adjuster certification requirements and to download an application form, please go to <http://www.fema.gov/business/nfip/participation.shtm>. If you have questions regarding the NFIP adjuster certification process, please refer to the [NFIP iService Adjuster Certification](#) page or contact the iService Help Desk at iService_Claims@ostglobal.com.
